Your tickets are electronic; an e-ticket is a paperless method of ticketing flights; therefore, no tickets will be mailed to you. You can print your travel itinerary or Electronic Ticket Receipt at viewtrip.travelpart.com using your PNR. Kindly retain your itinerary for check-in, passport control and possible claims. For reservation changes kindly contact our client services department at (800) 750-2238. If fare rules allow refunds and/or exchanges, CAD 250.00 ITN fee will be charged to process any refund and/or exchange request. This fee will be collected in addition to the penalties charged directly by the airline and/or recalled by the airline from ITN. Reservations for tickets to be refunded and/or exchanged must be canceled at least 24 hours prior to the scheduled departure. NO SHOW ticket(s) will not be processed for refund and/or exchange. **All no show tickets are immediately suspended by the airlines and have no value** ITN has no power to reinstate tickets that have been suspended by the airline. ITN agents will not cancel any reservation without a written cancellation request from a customer. Cancellation of reservation does not automatically initiate refund. All exchanges and refunds can be processed only prior to scheduled departure. If you wish to exchange or refund your ticket after the scheduled departure you must obtain a written confirmation from the client services department. This confirmation may be obtained only prior to the scheduled departure. Client services department will email the confirmation on request provided the fare rules allow exchanges or refunds after the scheduled departure. If you are unable to travel we strongly recommend that you contact our client services department well in advance in order to determine whether the fare allows exchanges or refunds after scheduled departure. Please keep in mind that our regular business hours are Monday through Friday 8 am to 6 pm PST. We reserve the right to receive at least 48 hour advance notice for any exchange requests.

We would like to advise you that at this time the flight departure and arrival times are correct. However, airlines frequently change times and/or flight numbers. We are not responsible for schedule changes. Please contact the airline to verify current flight information 72 hours prior to your scheduled departure.

Baggage allowances and fees associated with the checked baggage vary widely; please contact the airline for specific limits and fees. Check in time recommended for all international flights is a minimum of 3 hours, even if you are traveling on a domestic carrier to another airport and connecting to your international flight. Travel documents required for all tickets (paper, e-tickets, or paperless) include a valid Passport, which must be presented for all international flights. Some countries may require a Visa and/or health card. **It is the passenger's responsibility to make sure you have all necessary travel documents in your possession at check-in. Please verify the visa requirements for all your stops as some of the countries may require a transit visa.** Those passengers transiting via the airports within the European Union - Schengen Zone may need a Schengen Entry visa. Traveling on a one way ticket may be restricted. If you are traveling on a one way ticket, it is your responsibility to make sure you are eligible. ITN agents do not advise passengers on visa requirements. Please contact the embassy of the country you are going to visit or transit through to get the up-to-date requirements.

In addition, passport and visa information may be obtained by contacting the Travel Advisory Section of the U.S. State Department at 202.647.5225 or by visiting the State Department's Web site at www.state.gov. Non-U.S. passport holders should contact the embassies or consulates of their destination and transit countries to obtain entrance requirements. To obtain medical information, you may contact the Centers for Disease Control at 404.332.4559 or visit the CDC's Web site at www.cdc.gov.

If you are denied boarding or your baggage is lost or damaged, you may be entitled to certain standards of treatment and compensation under the Air Passenger Protection Regulations. For more information about your passenger rights please contact your air carrier or visit the Canadian Transportation Agency's website.

Si l'embarquement vous est refusé ou si vos bagages sont perdus ou endommagés, vous pourriez avoir droit au titre du Règlement sur la protection des passagers aériens, à certains avantages au titre des normes de traitement applicables et à une indemnité. Pour de plus amples renseignements sur vos droits, veuillez communiquer avec votre transporteur aérien ou visiter le site Web de l'Office des transports du Canada.

Data Protection Notice: Your personal data will be processed in accordance with the applicable carrier's privacy policy and, if your booking is made via a reservation system provider (GDS), with its privacy policy. These are available at www.iatatravelcenter.com/privacy or from the carrier or GDS directly.
